

DRINKS MENU

Emerald Triangle £12

Our long and herbaceous take with Bombay Star gin, mango syrup, herbal liqueur and grapefruit, balanced with lime juice and a splash of bitter lemon.

Bloody Bees Knees £12

Enhancing a much-loved classic cocktail with a soothing concoction and delectable combination of Warner's Honey Bee gin, blood orange and citrus.

Yum Yum £10

The name says it all... A well-balanced tippie of Hennessy Cognac, orange and lemon, sweetened with a splash of doughnutty goodness.

Rapa Nui £9.50

Working with classic new world flavours like fresh lime, coffee liqueur, almond and orange for a long pisco drink with a journey of flavours.

Grandpa's Spaceship £12.50

Taking the classic punch from the 1600s, we've married the soft rich flavours of Bacardi 8 infused with dates, coconut rum and a mix of tropical juices, served in a spaceship to take you to the moon and back.

Vato Loco £11

An instant classic – beware of imitations! If you're partial to a negroni, why not give this concoction a try? The smokiness from the mescal blends with a grapefruit aperitif for one heck of a sipper.

Nuclear Daiquiri £13

Created by our dear friend Gregor De Gruyther: we miss you and make this in your memory. 63% Wray & Nephew Jamaican rum, 55% Chartreuse, Velvet Falernum and lime juice. Approach with caution – strictly a maximum of 2 per person.

Jacaranda £9.50

A complex aromatic drink consisting of Blanco Tequila, citrus and a grape and lavender shrub, finished off with a spritz of mescal.

Mad Hatter's Iced Tea £12

One mad mix of booze, still keeping above par with the original Long Island mix of 5 spirits but with a twist. Using a blend of ceylon, pisco, mescal, yuzu and apricot liqueur. Topped with homemade iced tea and kola syrup.

Electric Boogaloo £11

Following the rebirth of the fun tiki craze, we mixed tropical fruit and shook things up with raspberry and two types of tequila. Then we made it blue. Because why wouldn't we?

Kukai £9.50

A snappy vibrant number that'll bark at the postman then make you breakfast with yuzu, apricot and peach liqueur with a fash of almond topped with pink fizz.

Knickerbocker Royale £10

We're not selling rainbows to rabbits, but this one is a banger. Bringing the sumptuous and full-bodied flavours of Bacardi rum to life, shaking up both Bacardi 8 and Bacardi Negra with raspberry syrup, orange curaçao with a generous top of pink bubbles.

Zapata Zwizzle £10

A clear-cut fresh drink, served long and showcasing the beauty of simplicity. Blanco tequila infused with dill, lemongrass, clarified lemon and a touch of honey.

Aberama Gold £11

Woodford Reserve bourbon provides the base for cherry liqueur, vermouth and orange bitters, all stirred down together for a balanced boozy drink.

The Last Samurai £10

A stone fruit Woodford Reserve bourbon, sour from across the pond, with a touch of peach and almonds, shaken up with an egg white, and topped with a luxurious cherry wine float.
